## *Disclaimer*

---

*This presentation contains statements that may constitute “forward-looking information” within the meaning of applicable Canadian securities legislation (collectively referred to herein as forward-looking statements). Readers are cautioned not to place undue reliance on such forward-looking statements. Forward looking statements in this presentation may relate to the eventual profitability or return on investment of investments, subsidiaries, mineral properties and business operations and ventures. These are based on current expectations, estimates and assumptions that involve several known and unknown risks, uncertainties and other factors that could cause actual results to vary and, in some instances, to differ materially from those anticipated by the Company and described in the forward-looking statements. These risks include, but are not limited to, access to sufficient capital, legal and accounting risks, potential loss of key personnel, sales and marketing issues, operating cost overruns, technology issues, title disputes and compliance with various regulators. No assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur or, if any of them do so, what benefits the Company will derive there from. The forward-looking statements contained in this presentation are made as at the date of this presentation and the Company does not undertake any obligation to update publicly or to revise any of the forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by applicable securities laws.*

## *Overview of our Business*

---

IC Capitalight Corp. operates as a merchant bank that pursues value-based investment opportunities in accordance with its internal investment policies and provides shareholders with long-term capital growth by investing in a portfolio of companies, securities and mineral properties.

Our principal investments are:

- Cash and near cash investments
- Capitalight Research Inc., our wholly owned subsidiary
- Blue Lake exploration property in Quebec, with known Cu-Ni-Pt-Pd mineralization

## Capitalight Research Inc.

Capitalight Research publishes weekly and monthly subscription-based research focused on gold, silver, copper, nickel, lithium, and select rare earths, Canadian preferred shares, technical analysis, US and Canadian economic and market data.

Our clients, which range from global mining companies to institutional wealth managers, use our proprietary research to inform their investment decisions, capital allocation decisions, treasury operations and business risk assessments.

Our business model is subscription-based, which produces higher quality reports and allows us to follow the facts wherever they lead us.

## Capitalight Research Inc. – Team of Experts

*Our publications are led by a Team of experts in their fields:*

- **Dr. Tom Brady** – former Chief Economist at Newmont Mining and currently the Executive Director of the J.P. Morgan Commodity Center at the University of Colorado Denver.
- **Ron Meisels** – one of North America’s most successful technical analysts with over 40 years of stock market experience. Institutions ranked him among the top three technical analysts for six consecutive years (Brendan Wood Survey).
- **Patricia M. Mohr** – developed the ‘Scotiabank Commodity Price Index’ – the first Index designed to measure price trends for Canadian commodities in export markets and wrote a widely-read commodity market report during her tenure as Vice-President, Economics and Commodity Market Specialist at Scotiabank’s Executive Offices in Toronto.
- **Dr. Martin Murenbeeld** – referred to as a ‘gold guru’ by publications such as the Northern Miner. Martin has been advising wealth managers and mining companies for over 45 years.
- During the past year Nick Otton has moved on, Tom Jarmai too.

## Blue Lake Mineral Exploration Property

- Total of 281 claims
- Approximately 35 km long by 3-5 km wide
- Recently announced that we have succeeded after years of attempt – having now consolidated the entire Blue Lake complex.
- Multiple showings of Platinum, Palladium, Copper, Rhodium and Nickel.
- More than 4,000,000 historical tonnes known

## *What to Expect in 2023*

---

- Capitalight Research Inc:
  - Integration new brand launches plus P&C, into a lower operating cost.
- Cash and near cash:
  - Loans out and money market investments to generate returns on cash.
- Mineral Exploration Investments:
  - Blue Lake property is an excellent exploration property but will need an exploration partner with deep pockets.
  - IC directors have been rolodexing for a deal. The ‘right’ deal has not yet come together.
